

Impresa Tile Showers Ltd.

WARRANTY STATEMENT

Impresa Tile Showers Limited (The Company) product warranties are for the stated duration as from the date of purchase by the Customer.

Impresa product warranties apply to the first installation of product supplied by the Company. All warranties apply to residential, domestic use of each product and only when installed correctly to the Company's written instructions.

All due, onsite care of Impresa products is the responsibility of the Customer. The warranties do not cover damage or misuse to any Impresa product whilst in the possession of the Customer prior to or post the installation of the product.

As a result of a claim, all products must be made available for an in-situ assessment by an Impresa representative. Should any material, manufacture thereof, or product be faulty as deemed by Impresa, the Company at its discretion may either refund the purchase price, repair the product, or replace the defective product. The Company is not financially responsible nor liable for any claim for consequential losses or damages as a result of product failure.

The toughened-glass enclosure warranty applies for installed product, subject to normal usage, but not breakage during installation or thereafter.

Claims must be notified in writing to the Company within 60 days of the discovery of a possible fault or problematic use of a product. Proof of purchase must accompany any claim.
